The terrible destructiveness of this disease is ap-parent on every side of us. Almost nine out of ten of the cripples one meets had their affliction brought on by Rheumatism. How many thousands more there sound to grow worse rather than better. If you ever have any twinges of Rheumatism go to the Red Cross Pharmacy right here in Barre and get a bottle of Uric-O, the wonderful new Rheumatic Specific. It will cure you and it is the only treatment in the world that will cure you permanently and thoroughly. Uric O cures by its direct action on the Acid and drives it from the system and it is only a treatment of such a nature that will evers cure Rheumatism. Liminents and plasters only serve to drive it from one spot to another. They never cure Rheumatism, because it is primarily a blood disease, and until the blood.
